

A large wooden cross stands against a sky with a warm sunset gradient. The cross is made of two thick wooden beams, with the vertical beam extending from the bottom of the frame to the top. The horizontal beam is positioned in the upper third of the image. The sky transitions from a pale yellow at the horizon to a light blue at the top. The cross has a decorative finial at the top of the vertical beam.

GOD MADE THE SUN

*God made the sun,
God made the trees,
God made the fishes and the
flowers and me.*

*Thank you for the sun,
thank you for the trees,
thank you for the fishes and
the flowers and me.*
